Note: For goods that are to be shipped on the same day as the order, we must receive your order in writing by 10:00 a.m.
Cancellations are accepted until 11:00 a.m. on the day of the order.
These flared sleeves are to be used for:
Single installation: Sleeve with B2 (ideal protection of the seal, high-pressure flushing resistance according to DIN 19523).
Installation in series: Sleeve with B0 and/or B1 (depending on the number of sleeves, for the ideal overlap area).
