Conditions
Return: After registration, the claim will be checked and the return delivery note will be sent with the RMA number already filled in. Returning the goods incurs costs which are passed on to you in the form of a restocking fee of 15%. This fee will be deducted from the credit for the goods. The credit will not be paid out. The return costs, coordination and return risk are borne by the customer. Goods will only be returned if they are in their original condition (not prepared, not damaged, not dirty, not used), are from the current financial year and are delivered
